Profile Objective

Dynamic professional with extensive culinary, sales, and design experience, seeking new opportunities that foster continuous growth. Dedicated to further developing multi-industry expertise and experience professionally and throughout life.

Employment History

Founder – BKDziti LLC

1/2015 – Present

Lee County FL

- Founded a multi-disciplinary business focused on food service, media production, digital design, marketing, and experiential brand development geared towards businesses and individuals in food service/hospitality as well as similar industries.
- Develop partnerships, negotiate collaborations, and coordinate pop-up events, food concepts, and community-driven projects.
- Create and execute marketing campaigns utilizing social media, photography, video production, and engagement strategies.
- Oversee day-to-day business operations including budgeting, vendor relations, inventory planning, scheduling, and customer service.
- Build and maintain relationships with clients, customers, and local businesses to support long-term growth and brand recognition.
- Utilize culinary, sales, technology, and design experience to develop integrated solutions across multiple industries.

Cocktail Waiter/Server – Slipaway Food Truck Park & Marina

1/2026 – 5/2026

Cape Coral FL

- Maintain cleanliness and organization of stations, dining areas, and guest-facing spaces while supporting others in their sections
- Check side work tasks and complete if needed, including station setup, cleaning, and restocking to maintain operational readiness.
- Greet customers seated in designated section and demonstrate how to order food with the trucks via QR code.
- Take guests beverage order, making recommendations if needed, and starting a tab for the group or closing them out then.
- Organize drinks from the fountain/teapots with alcoholic beverages to be delivered according to table and section.

Server – Metro Diner

6/2025 – 1/2026

Cape Coral FL

- Deliver food promptly and efficiently to guests across all assigned sections, ensuring accuracy and presentation.
- Perform assigned side work, including station setup, cleaning, and restocking to maintain operational readiness.
- Memorize and communicate current specials, describing ingredients and preparation methods to enhance the guest experience.
- Prepare and package food delivery service orders consistently without affecting in-house services.

Insurance Agent – TZ Insurance Solutions

7/2024 – 7/2025

Ft Myers FL

- Successfully provided personalized insurance solutions, consistently meeting clients' unique needs and ensuring optimal coverage.
- Navigate and Operate auto-dialing and lead system(s) while retaining a certain amount of productivity on the computer and simultaneously taking inbound and outbound calls.
- While waiting for appointment and 'continuing education' credits, qualify leads for our agents in the Medicare Advantage Pilot Program.

Shift Supervisor / Server – Waffle House

11/2023 – 07/2024

Cape Coral FL

- Taking guest food/drink orders, calling order to the Grill Operator using WH proprietary "Pull, Drop, Mark" system, then running food and calculating the tables ticket total.
- Various side work, making sweet and unsweetened tea, dropping, scrubbing and rinsing the sanitizing machine, filling to-go cups, containers, plastic-ware, straws.
- Consistently monitoring cleanliness standards both in the lobby and in the open kitchen. Wiping tables and other surfaces, washing, sanitizing, drying, and cleaning customers and kitchen dishes and silverware.

Server – Lani Kai

4/2014 – 11/2019

Ft Myers Beach FL

- Collaborated with coworkers to develop daily specials and incorporate customer suggestions into the menu.
- Worked with all departments making each guests experience better than the last, suggesting going out and venturing down the beach especially to those on vacation.
- Maintained a high standard of quality, cleanliness, and efficiency.
